

Phillies Lose Two Battles and Brooklyn Cinches National Flag

WORLD'S SERIES TO OPEN SATURDAY

First Two Games to be Played on Braves' Field—Next Two in Brooklyn.

NEW YORK, Oct. 4.—The Boston American league club and the Brooklyn National league club will meet in the 1916 world's series, the opening game of which will be played on Braves' field at Boston, next Saturday, Oct. 7. The team will remain in Boston over Sunday and play the second game of the series there on Monday, Oct. 8, weather permitting, after which they will return to Brooklyn for two games at Ebbetts field on Tuesday and Wednesday, Oct. 10 and 11. The fifth and sixth games, if necessary, will be played on Thursday, Oct. 12 and Friday, Oct. 13 at Boston and Brooklyn, respectively. Should a seventh game be necessary to decide the series, the location of the contest will be decided by the toss of a coin as in past years.

All these details were arranged at a meeting of the National Baseball commission in this city Tuesday afternoon, but the permanent winner in the National league was not known at the time the commission adjourned and the same dates that applied to Brooklyn also applied to the Philadelphia Nationals. Before nightfall, however, the victory of Brooklyn over New York and the double defeat administered to the Philadelphia Nationals by the Boston club of the same league, clinched the pennant for the Brooklyn players and placed them in the position of National league standard bearers in the annual games against the American league champions.

Dispense Coin Tossing.

Tentative arrangements already had been made covering the possibility of either Philadelphia or Brooklyn in the National league being the opponents of the Boston Americans and the subject of world's series games was arranged after a short discussion. President Lannan suggested that the series be opened at the park of the Boston Nationals where the American leaguers will stage all their games owing to its immense seating capacity, instead of deciding the place of the first game by the customary toss of a coin. This plan was adopted in view of the fact that both the Brooklyn and Philadelphia clubs would require several days in which to install additional seats and boxes to accommodate the large crowds that will attend this series.

President Baker proposed that the series begin on Monday, Oct. 9, but this was vetoed by the commission as being an unnecessary delay as was a suggestion that the play start Friday, Oct. 6, on the grounds that the National league winner required a day or two of rest before being flung into the world's series against the Boston Red Sox, who clinched their pennant several days ago.

The commission also dismissed the proposal to alternate the games between the contending cities, but decided that in case more than four games were necessary, the fifth and sixth would be alternate, with the place of the seventh decided by the flipping of a coin.

J. G. Taylor-Spink of St. Louis, was named as the official scorer for the National commission, and the Baseball Writers' association chapters of Boston and Brooklyn were given the right to nominate one member in each city to act as second official scorer in his home city. The visiting scorer will not act in an official capacity while away from home.

The umpires were announced Tuesday night as follows:

American league, Dineen and Connolly; National league, O'Day and Quigley.

Volga's new mark of 2:04 1-2 not only is a new record for three year old fillies but is 1-4 of a second faster than the four year old record for mares made by Joan in winning the Walnut Hall cup seven years ago and equaled by Mary Putney Tuesday.

The three year old record for colts made by Peter Volo, a full brother to Volga in winning the futurity two years ago, is 2:05 1-2. The corresponding records held by brother and sister the three year old division.

International News Service: SAN FRANCISCO, Calif., Oct. 3.—Seven thousand five hundred dollars was the price Connie Mack paid the Seals for Ping Bodie. It was announced here. The slugging outfielder is waiting to hear from Connie about his contract. He says he won't play for less than \$4,000.

FRESHMEN GET TRY AT VARSITY

Yearlings on Defensive Unable to Hold Harper's Men. Three Regulars Out.

Notre Dame varsity men, minus Capt. Coffal, Bergman and Grant, were sent against both the freshmen and second squads in hard scrimmage work on Cartier field yesterday afternoon.

After the varsity squads had been sent through a long signal drill, Freshman Coach Fitzgerald trotted his yearlings onto the varsity practice field for the first time this year and lined them up on the defense against Harper's men.

Put up Scrup.

Although the new men put up a scrappy battle, the regulars succeeded in pushing two touchdowns across before time was called. The freshmen were not given the ball, but they may be put on the offensive against the varsity today or tomorrow.

Several of the new men showed up strong in the workout. After the freshmen had been dismissed for the day, Harper put his varsity line on the defensive against the second string and, the scrubs succeeded finally in scoring a touchdown on a forward pass to Yeager.

The line showed strong, however, and the seconds had a hard time getting the score. Following the touchdown, the seconds were given the ball on the varsity five yard line, but they failed to work it over the goal line on four downs. The ball was again taken back to the five yard line and on the fourth down Ward Miller plunged over for a touchdown.

Dornis at Quarter.

Capt. Coffal, Bergman and Grant were not allowed to take part in the scrimmage. Fitzpatrick and Walter Miller subbed in Coffal's place. O'Hara was at right halfback and Doran ran the team from quarterback.

After John Miller, varsity fullback, suffered a painful injury to his hand, Ward Miller was substituted. The exact extent of Miller's injury has not yet been determined.

The Notre Dame squad will not leave for Cleveland until late Friday night. Coach Harper announced yesterday, and as a result, the men will have been given five days of regular practice before they depart for the Reserve contest.

O. H. Gilmstedt, former Illinois trainer and athletic training instructor, who has located in South Bend, is aiding in conditioning the football men at Notre Dame.

M'GRAW IS DISGUSTED

Says Team Refused to Obey Orders in Brooklyn Game.

BROOKLYN, Oct. 4.—Declaring that he was disgusted with the playing of his team, Manager McGraw of the New York National club, left the playing field at Ebbetts field in the fifth inning of Tuesday's game between Brooklyn and New York and retired to the club house.

In a statement after the game, in which Brooklyn clinched the National league pennant, McGraw asserted that although he did not believe any of the players tried deliberately to favor Brooklyn, they had refused to obey orders and had disregarded signals.

"When Ferritt wound up with a man on first base, allowing the runner to steal second, I lost my patience and left the bench," declared the New York leader. "I have worked too hard this year to stand around and watch playing like that, and I refuse to be connected with it."

After receiving congratulations over Brooklyn's victory, Charles H. Ebbetts, president of the club, announced that he was ready to retire from baseball whenever a buyer for his club appeared "with the price." Prest Ebbetts has been connected with the Brooklyn club for 34 years as secretary and president. He declared that as he is 68 years old, he had earned a rest and desires to retire.
